# WHAT IS NRHH?

NRHH is a nationwide organization that represents the top 1% of student leaders in residence halls and recognizes the difference they make on the campus, regional and national levels. In addition, NRHH is IRHC's sister organization. The four pillars of NRHH are recognition, service, leadership, and scholastics. The NYU Torch Chapter was founded in 2004.

## OTMs!

Our primary purpose is to foster recognition of people & programs—which we do through Of-the-Month awards, or OTMs. An OTM is a written statement that explains how a person or program has made a positive, meaningful impact during the month for which it is submitted. It's a way to recognize the great things people do each month! We also present "Of the Year" (OTY) awards at the end of each year to highlight individuals and programs of excellence.

### OTM Categories:

INDIVIDUAL Advisor, Hall Council  
E-Board Member, Hall Council GA  
Member, RA FYRE, RA Upper,  
Community, ProStaff, Faculty,  
RCA/OA, Spotlight

PROGRAM Community Service,  
Diversity, Educational, Social,  
Passive

### Who/What is eligible to get nominated for an OTM?

Anyone and any program related to residential life & housing at NYU!

### How does the OTM process work?

OTMs are submitted at the campus level and selected by the NRHH e-board & GA on the first Tuesday of every month. Winning OTMs are submitted to the regional level, where the winners are then submitted for consideration at the national level.

OTMs are due on the last day of every month at 11:59PM and submitted online through our website: **nyunrhh.org**  
Guidelines and tips for writing OTMs can be found there as well.

### How do you become an NRHH member?

Membership in NRHH is attained through an application process. Interested candidates are nominated and asked to fill out an application before being invited for an interview. New members are inducted on a bi-annual basis, and members tend to be student leaders who have shown a commitment to community service and consistently go above and beyond.

### Who are the E-board members?

President: Sindhu Lakshmanan, Recognition Chair: Kris Lee  
Membership Chair: Mo McBirney, PR Chair: Delaney Simmons  
Finance & Philanthropy Chair: Carlos Valdivia, NCC: Brendan Lash  
Co-Advisors: Tera Nakata, Travis Gabriel
